VOLUNTEER OF THE MONTH
July 2008

The Volunteer of the Month for July has been awarded to the Organizing Committee for the recent World Longest Softball Game held at Central Field. The event was successful in that it beat the previous world record for the longest softball game;

it raised over \$10,000 for the Canadian Cancer Society and it was all done with 40 players , male and female , who endured all kinds of weather and injuries over the 96 consecutive hours of play.

Many new friendships were forged as a result of this amazing event and we look forward to getting the official word from Guinness World Book of Records that this event did in fact meet their requirements for world history. The event has already been awarded the title of longest game in North America.

Congratulations to Rick Thistle, Scott Chandler and Mark Johnston as well as the many volunteers who worked throughout the event to ensure that their goals were met.
