

Vounteer of the Month - July 2006

It is my pleasure to announce the July recipient, of the City of Charlottetown Parks and Recreation Department "Volunteer of the Month Award". July's recipient is David LeClair.

Volunteering is a way of life for David. David has dedicated many years to volunteering in the recreation and sport field, and he has played a key role with minor baseball in Charlottetown. His leadership, dedication, passion, and willingness to give of himself to better his community and the lives of youth and residents makes him an ideal candidate for the Volunteer of the Month Award. Some of his volunteer activities include:

- Volunteer with Charlottetown Minor Baseball Association (CMBA) for many year years in a variety of capacities such as a coach, executive board member, and tournament organizer. This is his 35th year volunteering with CMBA.
- President of Charlottetown Minor Baseball Association for at least 15 years since he became involved with the association.
- Key organizer of the Kiwanis Dairy Bar Annual Peabody International Peewee AA Tournament for many years.
- A member of Knights of Columbus for many years, where he has been a very active member.
- Volunteer with his local church, where he has assisted with youth activities and other activities for many years.

David and his wife Betty reside in the Charlottetown. Congratulations David on your selection as "Volunteer of the Month" for July 2006.
