

## . Volunteer of the Month - May 2006

It is my pleasure to announce the May recipient, of the City of Charlottetown Parks and Recreation Department "Volunteer of the Month Award". This month's recipient is Charles Curley.

Volunteering is a way of life for Charles. His leadership and meticulous approach has resulted in making many Charlottetown events a resounding success. Over the past several years, Charles has played key rolls in many events. Some of this events include: Royal Bank Cup, Festival of the Lights, PEI Marathon, National Coaches Symposium for Hockey, PEI Jazz & Blues Festival, IWK Telethon, Terry Fox Run, East Coast Music Awards, TELUS Cup, and the Quebec Major Junior Hockey League Entry Draft & Annual Session.

Charles is a volunteer and a team player that inspires a sense of pride in his community, with a strong desire to strive for success. He is a volunteer who contributes so much to Charlottetown events, and his dedication, passion, and willingness to give of himself to better his community and the lives of others makes him an ideal candidate for the Volunteer of the Month Award.

Congratulations Charles on your selection as "Volunteer of the Month" for May 2006.
