Parks and Recreation Department
VOLUNTEER OF THE MONTH
June 2009

As chair of the Parks, Recreation, and Leisure Activities Committee, I am pleased to present the volunteer of the month award for June to Winston Bryan and Peter MacDonald.

Pauline Campbell nominated Winston and Peter for their outstanding work and contribution as co-convenors of the Canadian Firefighters Muscular Dystrophy National Hydrant Championships. This event was held

from March 25 – April 5 at the Charlottetown Curling Club and featured teams from across Canada.

Winston and Peter spent many hours preparing this event over the past two years both organizing and subsequently running the event. They were also in charge of a large group of volunteers who helped them deliver an extremely successful event. Over 200 people from across Canada came to Prince Edward Island and more specifically to the City of Charlottetown.

Winston and Peter have been involved in many other volunteer activities over the years. Both Winston and Peter have volunteered with the fire service for 20 years. Winston now is a full time firefighter and holds the position as Fire Inspector with the City. He has also volunteered his time with a number of Kick Boxing Championships and was a provincial advisor for PEI with Muscular Dystrophy.

Peter has been involved with the Cross Roads Fire Department for 20 years. He was also involved with Minor Baseball as a coach and was treasurer for his sons Midget Rep Hockey team. Peter assisted Habit for Humanity on a number of Baby Barn Builds and also helped with construction on a Habit for Humanity Home Project.

Congratulations to both Winston and Peter on your most recent work with the Curling Championships. One life member of the organization who has been involved for 40 years described the event as **“the best one of these I have ever attended.”**
